

Re: Reading Used Books Danforth & Queen Locations

March 23rd, 2020

In keeping with the effort to “Flatten the Curve” and in accordance with what Health Officials and all levels of Government are telling us, we have decided to close both stores for the duration of the Covid-19 Crisis.

We don't know what this will mean for the future, but we do know that it will help in the present. Our staff and our customers will be safer, our minds will be a bit more at ease and our health will be protected.

We want to thank all the people who have supported us in the past and we truly hope that we will be around to meet your bookish needs once this is all over.
